Dear Clarke:-

I have recently had inquiries from New York and Appleton, as to which comes after N.Y. City as an Edison central station. Appleton seems inclined to be first before New York. Tablets are proposed I think in both places - at any rate, Appleton for sure. which is all to the good. Can you help me fix dates? The

ing from Wisconsin is
an official Assn one. That
from Newburgh is from the
Company. I have the matter
up now with T. A. E and
Meadowcroft.

Yours truly
T. A. E.
